### WORK EXPERIENCE:

---

**Room and Board** - *San Francisco, CA*

Design Associate - March 2026 - Present

- Guide clients through furnishing, layout, material selection, and customizations with a design-focused approach.
- Create space plans and renderings that help clients visualize cohesive and functional residential spaces.
- Support clients through material selection, product coordination, and communication throughout the design process.
- Balance aesthetics, practicality, and individual client needs to create tailored residential solutions.

**Dufour Design** - *San Francisco, CA*

Founder & Principal Designer - March 2022 - Present

- Lead residential kitchen, bath, and interior remodel designs from concept through construction-ready documentation.
- Develop space plans, cabinetry layouts, finish selections, and photorealistic 3D renderings to support client and showroom decisions.
- Prepare permit-ready drawings and design sets for contractor pricing and execution.
- Coordinate with design-build firms, contractors, and vendors to align design intent, feasibility, and timelines.
- Support client communication, scopes, and design decisions to keep projects organized and moving forward.

**Havenly** - *Remote*

Interior Designer - May 2019 - March 2022

- Managed multiple residential design projects concurrently in a fast-paced, deadline-driven environment.
- Produced space plans, furnishings, and finish selections aligned with client goals, budgets, and timelines.
- Delivered consistent, high-quality design solutions through clear communication and strong organization.

**Quality Maids** - *San Francisco, California*

Owner - Oct. 2012 - Feb. 2022

- Built and operated a successful client-focused service business serving executive and high-end residential clients.
- Oversaw scheduling, client relations, pricing, and quality control across long-term accounts.
- Developed operational systems that sustained the business through market and pandemic shifts.

### Industry Experience

- Residential remodel, kitchen and bath, and design-build knowledge, including collaboration with vendors, project coordination, and construction-focused design workflows.

### Sales Experience

- Management, sales, and merchandising experience with Neiman Marcus, Gap, and Ann Taylor - 2007 - 2013
-
