WORK EXPERIENCE

Room and Board - San Francisco, CA

Design Associate - March 2026–Present

- Guide clients through furnishing, layout, material selection, and customizations with a design-focused approach.
- Create space plans and renderings that help clients visualize cohesive and functional residential spaces.
- Support clients through material selection, product coordination, and communication throughout the design process.
- Balance aesthetics, practicality, and individual client needs to create tailored residential solutions.

Dufour Design - San Francisco, CA

Owner / Interior Designer - March 2022–Present

- Lead residential kitchen, bath, and interior remodel designs from concept through construction-ready documentation.
- Develop space plans, cabinetry layouts, finish selections, and 3D renderings to support design decisions.
- Prepare permit-ready drawings and design sets for contractor pricing and execution.
- Coordinate with design-build firms, contractors, and vendors to align design intent, feasibility, and timelines.
- Support client communication, scopes, and design decisions to keep projects organized and moving forward.

Havenly - Remote

Interior Designer - May 2019–March 2022

- Managed multiple residential design projects concurrently in a fast-paced, deadline-driven environment.
- Produced space plans, furnishings, and finish selections aligned with client goals, budgets, and timelines.
- Delivered consistent, high-quality design solutions through clear communication and strong organization.

Quality Maids - San Francisco, CA

Owner - Oct. 2012–Feb. 2022

- Built and operated a successful client-focused service business serving executive and high-end residential clients.
- Oversaw scheduling, client relations, pricing, and quality control across long-term accounts.
- Developed operational systems that sustained the business through market and pandemic shifts.

ADDITIONAL EXPERIENCE | RETAIL MANAGEMENT, SALES & VISUAL MERCHANDISING

- Contract and internship experience with design-build firms, kitchen and bath showrooms, and residential design studios, supporting project coordination, client work, material selections, and construction-focused design workflows.

Neiman Marcus, Gap, Ann Taylor, and Tommy Hilfiger - 2005–2013

- Management, sales, and visual merchandising experience in client-focused retail environments.
- Led teams and supported day-to-day operations, client service, merchandising, and visual presentation.
- Built client relationships through product knowledge, personalized service, and needs-based recommendations.

Leadership: ASID Student Board Rep. - June 2024–May 2025 | SFSU Int. Des. Club President - Oct. 2023–May 2025
